MEMO TO: MEMBERS OF IFAC IPSASB  
FROM: MATTHEW BOHUN  
SUBJECT: **FUTURE MEETINGS**

**ACTION REQUIRED**

The IPSASB is asked to:

- **note** the dates for future IPSASB and IFAC meetings; and
- **provide** the Technical Director and IPSASB Staff with information about any forthcoming invitations to host meetings.

**AGENDA MATERIALS**

	<b>Pages</b>
18.2 IFAC Yearly Events Calendar	18.3 – 18.7

<b>Date</b>	<b>Host</b>	<b>Location</b>
March 21 – 24, 2006	Japanese Institute of Certified Public Accountants	Tokyo, Japan
July 4 – 7, 2006	Conseil Supérieur de l'Ordre des Experts Comptables; and Compagnie Nationale des Commissaires aux Comptes	Paris, France
November 20 – 23, 2006 (Tentative TBC)	Not hosted	Istanbul – coinciding with the World Congress of Accountants
March 2007	TBA	TBA
July 2007	New York (TBC)	IFAC
November 2007	TBA	TBA

As noted previously, the IPSASB to schedule its meetings so that they do not conflict with other IFAC meetings. The President and Chief Executive expect to be able to attend IPSASB meetings, and that they expect the Chair and Technical Director of the IPSASB to be able to attend IFAC Board meetings as required. The Chief Executive and President do not anticipate attending every IPSASB meeting, however if they are to attend meetings, IPSASB meetings cannot conflict with IFAC Board meetings, and it is highly desirable that they do not conflict with other IFAC meetings that they might be required to attend. The schedule of IFAC meetings is attached at item 18.2. At present there are no dates set for 2007, if we are able to move quickly, we will have the greatest flexibility about selecting meeting dates.

The current IFAC policy is for each Board or Committee to meet at least annually in New York. This is primarily intended to foster collegiality between the IFAC Board, the various Boards/Committees and the full staff of the IFAC offices in New York.

There are no tentative or confirmed dates for 2007 at this stage.

I advised previously that the IFAC member body in Guatemala had invited the IPSASB to meet there and that I had written to suggest a meeting in 2007. At the last meeting I advised that I had not received a reply. Unfortunately, the member body was suspended in July by the IFAC board, and it is unlikely that we will be meeting in Guatemala until the suspension is lifted.

I have no additional invitations to those specified above.
